

Retention Policy

Grimmway Schools believes in maintaining communication with you about achievement throughout the year in each of our four grading periods. We do not believe in social promotion. Only students making progress towards grade level proficiency will be promoted to the next grade. Parents will be provided with information that will clearly state retention warnings if their child is not ready for promotion to the next grade. At the end of the school year, the School's Student Study Team will review each child's achievement file and individual needs to effectively determine retention. Parents will be advised in writing of student retention.

All school policies apply to all students regardless of age or gender. Our policies clearly indicate to the student when his or her actions and behavior are inappropriate and/or unacceptable.
